

## **INTERNSHIP DESCRIPTION: GRAPHIC ARTS: WEB AND PRINT (USA & UGANDA)**

### Responsibilities

- Work with Imani team to create all visual interpretation of Imani
- Help to create web based graphics, print media, and product design
- Help design website interface and appearance
- Represent Imani to your local community and work to build the Imani culture

### Qualifications

The ideal candidate will be pursuing a career in graphic arts as and design with 2 years of field experience and a working knowledge of computer graphic programs such as Adobe Creative Suite. Experience with website design and languages is a huge benefit.

### Internship Details

You may apply for either a 6 month or 1 year internship – please specify in your cover letter

Internships are unpaid.

Interns are expected to be in contact with the Imani team, including those based in Gulu, Uganda and willing to complete tasks assigned by Imani's director.

College credit is available and recommended for the internship! We advise that you start talking with your school advisor now about the steps necessary to receive credit. We can also help by filling out any necessary paper work in order for you to get academic credit for working with Imani.
